1. This memorandum contains a recommendation submitted for approval of the Special Assistant to the Director for Planning and Development. Such recommendation is set forth in Paragraph 5.

2. Contract No. SC-991 is being issued for Project CHALICE and the Air Force to provide for the services of necessary personnel to assist in installation, train government personnel in the operation, service, and to make minor repairs to equipments previously delivered to the Government under Contract No. SC-990. The contract also provides for the furnishing of necessary equipment, tools and items of materials and services of personnel required to repair, overhaul and make modifications to the equipments mentioned above returned to the Contractor's plant. The contract covers the period from 1 July 1958 to 30 June 1959.

3. Fiscal Year 1959 CHALICE funds, when available, in the amount of [REDACTED] should be obligated to cover this requirement. Air Force funds in the amount of [REDACTED] should be obligated during FY 1959 against Air Force "No Year" funds. This results in a total obligation of [REDACTED]. By concurrence to this memorandum the Comptroller signifies that the Air Force obligation has been recorded and that the CHALICE obligation has been noted and will be recorded when funds are available.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all 10(b) expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under section 10(b) of Public Law 110, 81st Congress, for each contract.
